Professional Summary

C# and .NET developer building web applications with ASP.NET Core, Angular, Blazor, SQL Server and Microsoft Azure. Combines cybersecurity, e-commerce and financial technology experience with practical implementation and production support. Applies AI and Agentic AI through ChatGPT integration, natural-language data queries and Codex-assisted software development.

Technical Skills

Development: C#, .NET, ASP.NET Core, REST APIs, Angular, Blazor, JavaScript, HTML, CSS

Cloud and data: Microsoft Azure, Azure Functions, Logic Apps, Azure SQL, SQL Server

AI and Agentic AI: ChatGPT integration, natural-language queries, Codex-assisted development

Delivery: Git, Visual Studio, Agile, Scrum, Jira, Confluence, production support

Selected Professional Experience

Data Defenders

Senior Developer | Jun 2022 - Mar 2026

- Built and deployed a cybersecurity platform with ASP.NET Core, Angular, Blazor and Azure serverless services, giving security analysts real-time threat dashboards.
- Integrated ChatGPT so analysts could query threat data in natural language.
- Worked with the team to convert the product into Software as a Service (SaaS); provided on-call application support.

Web Partner Group

Senior Developer | Oct 2019 - Jun 2022

- Modernized internal applications supporting product sales through Amazon, eBay and Walmart.
- Developed with ASP.NET Core, Blazor, Angular and SQL Server, using Git for source control.

Stealth Monitoring

Senior Developer / Technical Lead | Apr 2019 - Sep 2019

- Oversaw internal application development using ASP.NET Core and Angular; established Scrum practices and standard development processes.

Alpha Theory

Senior Front-End Developer | May 2016 - Feb 2018

- Modernized the financial technology product with a component-based Angular interface.
- Developed with JavaScript, HTML, CSS and D3.js, working closely with product and technology leadership.

Certifications

Azure AI Engineer (AI-102) | Azure Fundamentals (AZ-900) | Azure AI Fundamentals (AI-900) | Azure Data Fundamentals (DP-900) | Certified Scrum Master
